

CODE GIRLS UNITED

CAMP INFORMATION

You will be working with Groovy Unicorns to build a game & create binary bracelets all while learning how to code! This class is for girls' grades 4th - 8th who are creative and want to learn about computer science. In just 12 hours of class, you will create a game using MIT App Inventor. You and your Groovy Unicorn will learn coding terms, teamwork, cooperation, and self-confidence.

Sign up today!
